For New Delegates

Welcome to TERMUN 2026! TERMUN is famous in the MUN world usually because it is the first conference of the year. So for some delegates, this may be their first conference. Us members of the media team have remembered this fact and have decided to include some high-quality tips in this issue of TERMAG (from the professionals of course).

- *If you ever need advice or help, just ask the chairs! They're not just there to keep delegates in check, they're also there to help you out.*
- *Speak up! An MUN debate is nothing without speeches and POI's. Don't worry if you make a bad point, you will have learned for next time.*
- *If your resolution or amendment fails, don't worry! You can build on that experience and improve it for your next submission.*
- *Make sure to always properly understand the resolution and listen to what is being said in committee. I have made the mistake of not doing so several times and it doesn't look great.*

*Remember, MUN is not all about learning! It's also a great place to socialise and make new friends.
Have fun, be outgoing!*

What To Expect

Your first MUN conference (possibly), so we've included a full rundown of things scheduled for the next few days.

OPENING/CLOSING CEREMONY: THIS IS WHEN THE CONFERENCE STARTS AND ENDS. DURING THIS, YOU'RE TOLD ESSENTIAL INFORMATION AND THERE ARE EVEN AWARDS DURING CLOSING CEREMONY!

COMMITTEE: THE MUN WE ALL KNOW. DURING COMMITTEE, YOU DEBATE ON YOUR TOPICS AND DECIDE TOPICS FOR GA.

LUNCH: NOT ANYTHING TO SAY EXCEPT KNOW WHERE YOUR CANTEEN IS AND WHEN YOUR SLOT IS.

GENERAL ASSEMBLY (GA): THE AMALGAMATION OF ALL THE WORK YOU HAVE DONE SO FAR IN COMMITTEE. EACH COMMITTEE SELECTS A GA RESOLUTION AND THEY'RE DEBATED FOR THE ENTIRE CONFERENCE. IT CAN GET PRETTY BORING, SO MAKE SURE TO SPEAK UP!

MOST OF ALL, MUN IS ABOUT FUN. SO HAVE FUN, LEARN NEW THINGS AND SPEAK UP!

MUN QUOTES

CILLIAN DALY (SECURITY COUNCIL): A LOT OF HIGHLY MOTIVATED PEOPLE DIE TRYING TO CLIMB MOUNT EVEREST SO MAYBE TRY TO CALM DOWN.
